To Whom It May Concern

This is to introduce Mrs. Anne-Gyrithe Bonne, Director and Film Producer.

Mrs Anne-Gyrithe Bonne has won substantial appraisal and acclaim for her documentary "The Will to Live" about people who have suffered brutal oppression and tragic loss, but who have worked towards reconciliation with their oppressors and have become an inspiration to others.

Anne-Gyrithe Bonne is planning a symposium about reconciliation in the United Nations, New York in the spring 2004

The Royal Danish Ministry of Foreign Affairs would highly appreciate any assistance from all authorities involved that might help Mrs. Anne-Gyrithe Bonne to achieve the purpose of the symposium.
